**Porsche Motorsport Club**  
Suisse

## About us:

The Porsche Motorsport Club Suisse unites enthusiasts of Porsche motorsport and promotes the care of motorsport, as well as sporting and social relationships.

The association organizes and coordinates motorsport, sporting, and social events domestically and internationally and advocates for its members' interests.

As the license holder of Porsche Sports Cup Suisse, it also organizes the Porsche Sprint Challenge Suisse.

The club values honest and fair racing alongside friendly interaction on the most beautiful racetracks in Europe.

## Event Schedule for Sports Cup Suisse

Sports Cup Suisse events consist of three days: two days of testing and one race day. During the test days, you will share the track only with the cars you will compete against on race day. Each test day provides approximately two hours of testing, splitted into 4 sessions of 30mins each.

On the morning of race day, we will kick things off with a 20-minute qualifying session. Following that, there will be two thrilling sprint races, each lasting 30 minutes plus one lap. As a special highlight, three times this year, we'll also host a two-hour endurance race after the sprint races. This is a fantastic chance to enjoy more track time, share the excitement of racing with your teammate, and work together to chase another victory!

### Sample time schedule

**First test day:** 4 sessions of 30 minutes each

**Second test day:** 4 sessions of 30 minutes each

**Race day:** 20-minute qualifying, Sprint Race 1 (30 minutes + 1 lap), Sprint Race 2 (30 minutes + 1 lap), and on 3 occasions this year, an exciting 2-hour night race to finish the day.

## Divisions and classes

Vehicle	Class	Group
